

Torquay kept up their winning streak with a great performance against a well drilled and organised Ivybridge, beating them 10-0.

Torquay's rucking and driving put pressure on Ivybridge from the start. Ivybridge never managed to advance forward into Torquay's half for the first half of the game.

Torquay's scrums were so controlled and strong that they took the first three scrums against the head.

Man of the match Louis Powell had a good game. Following some excellent rucking from Thomas Roberts, Powell gained possession and saw the gap, took the ball and scored Torquay's well worked first try.

The second try was initiated by George Lawrence who ran well up the pitch and passed to Josh Lovell to go over the line.

After a half time talk, Ivybridge returned the pressure and challenged Torquay's players. However Torquay's defence stood strong and saw some excellent tackles from Marley Tyler, Elliot Robinson and Harrison Gill. Also Gabriel Ross ran well with the ball and found gaps to run on a very narrow pitch.

The strong defence and the keen spirited play from the boys prevented Ivybridge from scoring, making the final score 10-0. The coaches were extremely pleased with the boys who worked tirelessly hard to gain such a fantastic result.

Torquay lost their second game 15-0, but the score does not reflect how close the game was. The team, with a number of new players, have vastly improved, playing well and developing as a team every game.

The boys and girls are using their skills really efficiently and the game is flowing well with players playing well in their positions.

Torquay's scrum, made up of two girls, Megan Fellows and Leigh Skeffington, did not phase them and they both worked really hard, challenging the Ivybridge forwards.

Finlay Bushnall made some good tackles along with Barney Reid preventing Ivybridge from gaining ground. Man of the match was awarded to Jake Harker who had a good game and ran well with the ball.
