

Torquay had another good Sunday mornings rugby by beating Crediton 50-0 in the first game and 40-5 in the second.

Both games were pretty one sided affairs with Torquay dominating the game, out rucking, tackling and being a lot more wise in how they played the game.

The first tries were from James Allcock who worked well and had his best game of the season so far.

There were some good breaks from Harrison Gill and some great support from him for Josh Lovell who scored three tries in the first game and two in the second. Other tries came from Barney, Nathan Snape and 2 from Elliot Robinson.

The second game was played with the same form and there was some good displays from all the players. There was tries from Jake Harker, Louis Powell, Marley Tyler and Nathan Snape. It was a good team performance who completely outshone Crediton which reflected in the final scores. George Lawrence and Megan were sundays man of the matches.
