

Torquay U10's returned to winning ways after a below par performance last week with a 75-20 victory over a hardworking Totnes team. Torquay played expansive, fast flowing rugby combining forwards and backs to run in fifteen tries. Half backs Harrison Gill and Josh Lovell ran the game well, releasing the ball to their speedy back line. Tries came thick and fast, Lovell (4) lead the way with James Allcock (3) and Gill (3) close behind. There were great performances from Nathan sharpe (2) and a try apiece for Jake Harker, Finley Bushnell and Barney Reid. Torquay's pressure and tackling was relentless with Lovell and Louis Powell to the fore. Totnes scored 4 excellent tries in the second half after determined running from their team.

Torquay triumphed 60-5 in the second match that was marked by some excellent support play and off-loading in contact. Leigh Skeffington was rewarded for an impressive performance with a well taken try and Ethan Allen marked an excellent debut with a surging run and offload for Snape to burrow over. Elliot Robinson robbed Totnes on their own line to power over and Callum Fraser ran the length of the pitch for one of his brace. There were further tries for Lovell(2), Gill (2) Reid (2) and Bushnell.
